each Lot in the Subdivision including Lots owned by Declarant or a builder prior to occupancy, for snow removal from the streets by the Association provided such amount for snow removal has also received Declarant's approval in writing.

2. Lien. Any fees, dues or assessments established by the Association, and any amounts or expenses incurred in enforcing these restrictions which are reimbursable under Article VI below, shall constitute a lien on the Lot of each Lot owner responsible for such fees, dues, assessments, amounts or expenses. Declarant or the Association, as the case may be, may enforce the lien by recording appropriate instruments confirming the existence of the lien and foreclosing the lien by appropriate legal action. In such legal action, a court of competent jurisdiction shall be empowered to order a sale of the Lot subject to the lien in order to satisfy the lien. The lien shall be subordinate and junior to the lien of any first mortgage securing a loan for the acquisition or improvement of any Lot in the Subdivision; and except for a transfer of title of said first mortgagee, its assigns or designees as a result of foreclosure or deed in lieu of foreclosure or other sale or transfer to or at the direction of said first mortgagee as a result enforcing its security on such Lot, the sale or transfer of any Subdivision Lot shall not affect, release nor discharge the lien arising out of the failure to pay any fees, dues or assessments, and amounts and expenses referred to above, when due. All fees, dues or assessments which shall remain due and unpaid sixty (60) days after the date said charges become due and unpaid shall be subject to interest at the highest legal rate allowable as of the date said sums become due, but not to exceed eleven per cent (11%) per annum.

3. Bylaws. Any sale or purchase of a Lot in the Subdivision shall be subject to such bylaws for the Association as Declarant may hereafter establish or approve, and each Owner agrees to abide by and observe such bylaws. It is understood that the bylaws may provide that the Declarant may control and designate the Board of Directors of the Association up to the time that eighty percent (80%) of the Lots in the Subdivision have been sold by the Declarant and all land contracts, if any, from Declarant, and all mortgages, if any, to Declarant on said sale of said eighty percent (80%) of the Lots in the Subdivision have been paid in full or such earlier time as the Declarant may elect. Until the Association is created for the Subdivision, Declarant shall have the right to modify, amend or supplement the bylaws, and so long as they are reasonable, any such modifications, amendments or supplements shall have retroactive effect to the date immediately preceding the date of this Declaration. When the Subdivision is governed by an Association the Association may amend or modify the bylaws upon the affirmative vote of Owners representing at least seventy-five percent (75%) of the Lots in the Subdivision, but such amendment or modification shall not have retroactive effect, and so long as Declarant owns or is the seller on land contract or an option or holder of a mortgage of any Lot in the Subdivision, such an amendment must have the approval of Declarant in writing to be effective.

4. Use of Funds. The Association may use the fees, dues or assessments collected for such purposes as the Association shall determine as necessary and advisable, including, but not limited to: improving and maintaining any property of the Association, including any future property, real, personal or mixed, acquired by the Association; maintaining and improving entryways of the Subdivision; planting and maintaining trees and shrubbery; collecting and disposing of garbage, ashes and rubbish; snow removal; employing night watchmen; caring for

vacant property; removing grass or weeds; establishing and operating any community programs and facilities which in the opinion of the Association benefit the general welfare of the members; expenses incident to the examination of building plans and specifications or any other items or matters requiring approvals or waivers by the Architectural Control Committee; the enforcement of these restrictions or any other building restrictions applicable to the Subdivision; or for any other purposes for which the Association is incorporated.

ARTICLE V

LANDSCAPE EASEMENT AND PARKS

1. Lots 1, 3 & 28. The north fifteen (15) feet of Lots 1, 3 & 28, as identified in the Plat, shall be deemed a private easement for the Subdivision to be used solely for landscape maintenance purposes (the "Landscape Easement") as the Association shall deem appropriate. All costs in connection with the improvement, maintenance, repair and replacement of any items in connection with the landscaping of the Landscape Easement shall be the sole responsibility of the Association referred to in Article IV.
2. Aurora Park, Morning Park, Aurora Park South and Morning Park South. Aurora Park and Morning Park, as identified in the Plat of Phase I, and Aurora Park South and Morning Park South, as identified in the Plat of Phase II, shall be identified as private parks of the Subdivision and shall be dedicated to the use and enjoyment, for recreation purposes only, of the Owners of the Lots of the Subdivision and any future adjacent landowners for whom title is traceable to the owners of this Plat. All costs in connection with the improvement, maintenance, repair and replacement of any items in connection with Aurora Park, Morning Park, Aurora Park South and Morning Park South shall be the sole responsibility of the Association referred to in Article IV.
3. Wetlands and Conservation Easement. Any wetlands, as identified in the Plat of Phase I or Plat of Phase II, shall be maintained as wetlands in accordance with all applicable federal, state, or local laws, ordinances, rules or regulations and the Owners of the Lots of the Subdivision and any future adjacent landowners for whom title is traceable to the owners of this Plat of Phase I or Plat of Phase II shall have the right to utilize such wetlands in accordance with those laws, ordinances, rules or regulations. The wetlands, including those portions of Aurora Park, Morning Park, Aurora Park South and Morning Park South which contain wetlands, may be subject to a Conservation Easement in favor of the State of Michigan, Department of Environmental Quality. All costs in connection with the improvement, maintenance, repair and replacement of any items in connection with the wetlands shall be the sole responsibility of the Association referred to in Article IV.
4. Maintenance. The Association referred to in Article IV shall maintain the Landscape Easement, Aurora Park, Morning Park, Aurora Park South, Morning Park South and the wetlands, described in Paragraphs 1, 2, 3 & 4 of this Article V in reasonable condition and order and if applicable, in accordance with the Conservation Easement contemplated in Paragraph 3 of this Article V.

In the event the Association shall at any time fail to maintain the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South in reasonable condition and order, the Township shall serve written notice upon the Association setting forth the manner in which the Association has failed to maintain the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South in reasonable condition and order. The notice shall include a demand that deficiencies in the maintenance be cured within thirty (30) days thereof, and notify the Association of the date, time and place of a public hearing before the Township Board or such other boards or body of officials to whom the Township shall delegate such responsibility. Such hearing shall be held within fifteen (15) days of the notice. At such hearing the Township may modify the terms of the original notice of deficiencies in maintenance and may grant an extension of time within which such deficiencies shall be cured. If the deficiencies set forth in the original notice or the modification thereof, are not cured within said thirty (30) day period or any extensions of time granted at the hearing, the Township, in order to eliminate and cure the deficiencies in the operation and maintenance of the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South, may enter upon the property and maintain said for a period of one (1) year. The maintenance of the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South by the Township shall not constitute a taking of the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South nor vest in the public any additional right to use the same.

Within sixty (60) days prior to the expiration of the aforesaid one (1) year period that the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South is under the control and jurisdiction of the Township, the Association may request another public hearing be held or the Township may call another public hearing upon reasonable notice to the Association. At such hearing the Association shall show cause why such and maintenance by the Township shall not continue for a succeeding one (1) year period. If the Township shall reasonably determine that the Association is ready, willing and able to maintain the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South in reasonable condition and order, the Township shall cease to operate and maintain the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South at the end of said year. If the Township shall reasonably determine that the Association is not ready, willing and able to maintain the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South during the next succeeding year, then subject to a similar public hearing and determination in each successive year thereafter, the Township may continue to enter upon the property and maintain said Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South.

Should deficiencies in the maintenance of the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South be determined by the Township to constitute an impending danger to health, safety and welfare of the public, or a public or private nuisance, the Township shall have the right to take immediate corrective action and summarily abate such danger or nuisance.

The actual costs and expenditures, including administration expenses and attorney fees, incurred by the Township as a result of its maintenance of the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South or the summary abatement of an impending danger or nuisance in relation thereto, shall be an expense of the Association and such costs and expenditures shall be assessed against the Lots in the Subdivision and become due, be collected and be returned for non-payment in the same manner and at the same time as ad valorem property tax levies of the Township.

The Township, at its option, shall be subrogated to any rights the Association may have in this Declaration for the imposition of assessments and the collection thereof in relation to the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South.

The Township shall have the right to defray any costs of maintaining the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South by establishing a special assessment district against any property benefited by the Landscape Easement, Aurora Park, Morning Park, Aurora Park South or Morning Park South in accordance with the provisions, Section 192 and 192a of Act No. 288 of the Public Acts of 1967, as amended.

6. Amendment. Notwithstanding anything contained elsewhere in this Declaration, this Article V shall not be amended and/or modified without the consent of the Township.

ARTICLE VI

GENERAL PROVISIONS

1. Enforcement. The Declarant and each Owner shall each have the right to enforce, by any proceeding at law or in equity, all of the restrictions, conditions, covenants, reservations, obligations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of any of the aforementioned parties to enforce any covenant or restriction herein ~~contained~~ shall in no event be deemed a waiver of the right to do so thereafter.

2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall not affect in any way any other provisions, which other provisions shall remain in full force and effect.

3. Amendment. The covenants and restrictions of this Declaration, other than those contained above in Paragraphs 2.f. and 14.f. of Article II hereof, shall run with and bind the land for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended after the date on which all of the Lots in the Subdivision have been sold and conveyed by Declarant to third parties by a recorded instrument signed by not less than seventy percent (70%) of the Owners and recorded at the Office of the Register of Deeds for Macomb County, Michigan. Prior to such date, Declarant without the consent, vote, signature or approval of any Owner, may, prospectively or retroactively, by instrument recorded at the Office of the

Register of Deeds for Macomb County, Michigan, modify, restate, waive, repeal, amend, change or replace this Declaration or any or all of the provisions hereof, with respect to any thing or any particular Lot or Lots located within the Subdivision or located within any future subdivision(s) subjected to this Declaration, as Declarant in its sole discretion deems necessary or desirable, including, without limitation, for the purpose of adding additional residential Lots and making this Declaration and/or other restrictions apply to such Lots.

Declarant's right to amend, change or replace this Declaration as set forth above shall be permitted notwithstanding an assignment of Declarant's rights and powers pursuant to Paragraph 5 of this Article VI.

4. Annexation of Additional Lots. Declarant reserves the right any time in the future to amend this Declaration by subjecting to it one or more additional adjacent parcels of land hereafter developed and platted by Declarant or its successors or assigns. Any such amendment(s) to this Declaration shall provide that the owners of all residential Lots located in such future added subdivisions shall be subject to the covenants, restrictions, obligations, easements, and charges set forth herein. Additional Lots may be annexed to the Subdivision by Declarant without the consent or approval of any Owner(s).

5. Assignment or Transfer of Rights and Powers. Declarant hereby reserves the unequivocal right to assign to a third party, in whole or in part, from time-to-time, any or all of the rights, powers, titles and easements hereby reserved or given to Declarant herein, including the right and power to approve or disapprove any use, act, proposed action or any other matter or thing, except that Declarant's right to amend, change or replace this Declaration without the consent of the Owners as provided in Paragraph 3 of this Article VI may not be assigned. Any such permitted assignment or transfer shall be made by appropriate instrument, in writing, and such assignee shall thereupon have the same rights and powers, and be subject to the same obligations and duties as herein given and reserved to and assumed by Declarant in connection with the rights, powers, titles, easements, and estates so assigned, and such instrument, when executed by such assignee, shall without further act release said Declarant from all obligation, duties, and liability in connection therewith.

6. Deviations by Agreement with Developer. Declarant hereby reserves the right at any time prior to the date on which all of the Lots in the Subdivision have been sold and conveyed by Declarant to third parties to enter into agreements with the Owner of any Lot(s) without the consent of Owners of other Lots or adjoining or adjacent property, to deviate from any or all of the provisions or requirements of this Declaration provided there are practical difficulties or particular hardships evidenced by such Owner. Any such deviation which shall be by agreement in writing shall not constitute a waiver of any such covenant as to the remaining Lots.
